

Dear Participant,

In a few days, 24. kongres neziskových společností for which you have registered will take place. As part of the event support, the City of Prague has provided you with a public transportation fare for CZK 0 for the duration of the event as stated on the congress ticket. In this e-mail, you can find information on how to download, activate and validate the congress ticket using [the PID Lítačka application](#).

1. Download application

- Use the link or QR code

2. Congress ticket code

- To download a congress ticket in the PID Lítačka application, use the code:

Name	Surname	Code
Denisa	Fiktivní	A1B2C3
Magda	Fiktivní	123456
Gabriela	Fiktivní	456789
Adam	Fiktivní	5QCEZ9
Anastáz	Fiktivní	789XYZ

3. Download your ticket

- If you don't have the PID Lítačka app yet
 - Download the PID Lítačka app to your phone
 - After the initial launching of the app, you can enter a one-time code by tapping the "Redeem one-time code" button on the login screen
 - Download your ticket using the "Redeem code" button
- If you already are a PID Lítačka application user
 - Scan your QR code to open the relevant window in the app and enter the one-time ticket code
 - Download your ticket using the "Redeem code" button
 - Alternatively, you can enter the code in the window you open from the "More" tab by selecting the "Redeem one-time code"

4. Ticket activation

- **The ticket must be activated before the first use, otherwise it is not valid!**
- To activate your ticket, press the “Activate” button on your ticket
- You can activate your ticket no earlier than one day prior to the event
- The ticket must be activated no later than 2 minutes before boarding the vehicle or before entering the paid transport facilities

5. Ticket validity

- The ticket is valid no earlier than 2 minutes after the moment of activation
- Once activated, the ticket is valid for the dates and time indicated on the ticket: from 00:00 on the first day until 23:59 of the last day of the congress
- The ticket is VALID on the territory of the city of Prague (zones P, 0, B)
- **The ticket is NOT valid** on the Airport Express (AE) bus line, on trains and on all means of transport outside the territory of the city of Prague (zones 1, 2, 3...)
- Timetables of PID (Prague Integrated Transport) lines, including zones, can be found [here](#)

6. More information

- Each QR code is unique, it has been assigned exclusively to you
- Each code can only be redeemed once
- The downloaded ticket can be found on the "Tickets" tab, in the "Tickets" section
- For the ticket inspection it is necessary to display the QR code on the ticket detail

Please follow the steps described above. If you have any questions or encounter a problem with the ticket activation, do not hesitate to contact the PID Lítačka helpline.

We wish you pleasant travelling around Prague. Have a nice day,

Lítačka
